MRS. VALTENA G. BROWN
Deputy Superintendent/Chief Operating Officer

MR. LUIS E. DIAZ
Assistant Superintendent

MR. ARNOLD R. MONTGOMERY
Administrative Director
Division of Educational Opportunity & Access

The mission of the Division of Educational Opportunity and Access is to provide an environment for all students to become responsible, productive citizens, lifelong learners and positive contributors to society. The students in alternative schools and programs are at risk of dropping out of school and typically have a history of failure. Our schools are designed to enable the students to change that pattern of failure and go on to successful performance in traditional settings upon return to the school of residence.

Below is a description of the Division of Educational Opportunity & Access programs:
